

Summary

- ☒ **SUPER CLEAN CC-315** is a low-odor grade detergent based on a hydrocarbon solvent, which removes harmful components in petroleum and is a high-grade detergent with excellent adaptability to materials. Unlike conventional solvents, it minimizes aromatic and harmful components, contributing to improvement of worker and workplace environment.

Characteristic

- ☒ It is a high-purity petroleum solvent with mild detergency and rapid evaporation power. Since it minimizes aromatic and harmful components, it does not cause discomfort or headache at work.
- ☒ It can be applied to almost any material without damaging the material to be washed.
- ☒ Evaporation is fast and does not affect post-processing.
